Daffodil Show at Moss Vale

The twenty-fourth annual daffodil show under the auspices of the Ministering Children's League was held on Wednesday last in Mack's Theatre Royal, Moss Vale, and was distinctly successful from every point of view The display made was a very creditable one, and was greatly admired by those present, while the decorations were a credit to those having the matter in hand The entries were more numerous in B section than in A section, while in the children's section fifteen competitors were represented

The opening ceremony was performed at the afternoon session by Mrs Mark Morton, who was introduced to the record gathering assembled by the Mayor (Ald F G Hayes). He referred to the fine exhibits displayed, and also to the good work done by the branch in connection with the various hospitals, etc, having given away over 600 garments and assisted them financially

In declaring the show open Mrs Morton congratulated the league on the attractiveness of the show and the success of the efforts made The display of exhibits was magnificent, and far better she thought than they could do on the South Coast for daffodils and bulb blooms She was pleased to note the help the branch had afforded to the different soldiers' institutions, which was deserving of special mention

On the motion of Revs O'Neill and Corlette, a hearty vote of thanks carried by acclamation was accorded Mrs Morton, Miss Faith then presenting her with a beautiful bouquet

The principal prize-winners were Mr C N Griffin (Bowral), who secured six firsts and four seconds; Misses Mien and Paine and Mrs Dale (Moss Vale) Mr Griffin also secured the prize for champion daffodil, his bloom Sunmaid being an exceptionally fine specimen, and greatly pleasing the judge's keen eye The judges were Mrs Goodhew (Goulburn), daffodils; and Mrs Bromley and Davenport (Bowral), decorative They were greatly pleased with the display of hyacinths, stocks and anemones, and their decisions gave every satisfaction

At closing time Mr Colin White cleared the various tables with a brisk auction sale.

The total proceeds amounted to the highly satisfactory sum of £171 10s 3d, much of the credit for this gratifying result being due to the splendid organising work of the energetic secretary, Miss Grace M Yeo.

SECOND GRADE FINAL

There was a large attendance at the Moss Vale Showground on Saturday to witness the final of the second grade Rugby League football competition between Bowral and Robertson Bowral won the toss, and elected to play against the strong westerly which swept the ground In play the ball was in neutral territory for some time At length Bowral were twice penalised, and Hanrahan had two unsuccessful shots at goal Robertson kept the pressure up, and from a free the ball was kicked over the line; Bowral's full back failed to ground the ball, and from the resultant five yards scrum A Brooker secured and crossed over Hanrahan's kick at goal failed. Robertson 5, Bowral 0. Nothing of importance happened between this and the interval, which arrived with the scores unaltered

Shortly after resuming Bowral were awarded a free kick and A Savell kicked a good goal Robertson 3, Bowral 2 Owing to a player being injured the game was halted for a few minutes In play again Bowral were seen to be making every effort to score, but Robertsons' able defence kept them out. Not to be denied Bowral came again, and from a scrum Fitzgerald secured and safely planted the ball over the line after a good run The kick at goal failed Bowral 5, Robertson 3. From now on the play was solid, each team at intervals being kept busy in defending, but no further score resulted, the final whistle giving Bowral a two-point win

Mr J Black, of Sydney, gave every satisfaction as referee

By winning the final, the Bowral team now retains permanently the handsome trophy donated by Mr Tom Mack, of Moss Vale, having won it two years in succession They also receive the medals from the league

The early game was a soccer match between Bowral and Mittagong, the result being a win for Bowral by 2 goals to nil Although not so exciting as the league code, the game was nevertheless interesting, each side giving a satisfactory display The scoring was done in the first half, the second spell being more evenly contested H Butler scored the two goals for the winners, and Mr P Flight refereed satisfactorily to both teams

During the interval between the two matches the second grade 100yds championship footrace was run off and was won by Wyeth, of Thirlmere.

Sander and Sons' Eucalypti Extract

the unequalled remedy for colds, influenza, chest complaints, headache, neuralgia, indigestion, rheumatism. SANDER'S EXTRACT, the surest protection from all infections, fever, diphtheria, meningitis. SANDER'S EXTRACT, the great healer of burns, wounds, ulcers, sprains, skin diseases. SANDER'S EXTRACT proved at the Supreme Court of Victoria to contain antiseptic and healing substances not present in other Eucalyptus preparations, hence its superior curative power. SANDER'S EXTRACT, the only eucalyptus product prepared exclusively from the leaves, and refined by special process, is free from the irritating and heart-depressing qualities of the common eucalyptus oils and the so-called "extracts," and is safe for internal, as well as external use. Insist on the GENUINE SANDER EXTRACT, and derive the benefit of purity, reliability and effectiveness. There is no "just as good."

The Champion Imported Clydesdale Stallion,

Scotland's Sport

(17,648 C S B)

Bred by J E KERR, Esq., Harviestown, Dollar, Scotland.

Aged.

SIRE, Scotland Yet (14,839 C S B) in 1910, 1911 and 1913 was the Lanark District of Lanar Kohill Stud Horse; in 1912 he won the County District of East Lothian premium, and in 1914 and 1915 he gained the Insch and Garioch District Aberdeenshill premiums. He also won the following prizes:—In 1907 as a yearling, first and champion prizes at Lanark, and third prize at the H S Show, Edinburgh. In 1908 as a two year old, third prize at the Glasgow Stallion Show; second prize at the Glasgow Summer Show; first prize at Lanark and Peebles, and second prize at the H S Show, Aberdeen. In 1909 as a three year old, first prize and reserve champion at Kilmarnock; and first prize at the H S Show, Stirling. In 1910 when four years old, first prize at the H S Show, Dumfries. In 1911 when five years old, he won first prize in the aged class at the Glasgow Stallion Show, and won the Cawdor Cup.

DAM, Peggy Pryde (21,541 C S B) gained a great number of prizes, including the following:—In 1909 first at Kilmarnock; second at Ayr; first at Glasgow Summer Show; first at Edinburgh and first as H S Show Stirling. In 1911 she was first and champion at the Royal Show of England at Norwich receiving this honour with Scotland's Sport at foot—by Baron's Pryde (9122 C S B). Peggy Pryde is by the same sire and out of the same mare as the famous Baron of Buchlyvie (11,263 C S B) the greatest stallion the world has known for he realised at public auction 9500 guineas—a world's record.

SCOTLAND'S SPORT holds Life Certificates of soundness of the following Societies—Glasgow Agricultural Society, the Clydesdale Horse Society of Great Britain and Ireland, the Victorian and New South Wales Agricultural Societies, also the Government Certificate of soundness.

This horse is ranked to-day as perhaps the greatest Clydesdale in Australia. His certificates and ribbons stamp him without dispute as such, for in a field of 14 stallions for the Clydesdale Championship of New Zealand this horse carried the blue ribbon.

The Riverina district, with Wagga as the centre, is acknowledged the first Draught Horse District in Australia, for Messrs Faulkiner's famous 'Widgiewa' Stud is located there. Scotland's Sport's quality may be gauged when it is known that he has won the Championship every time he has been shown, always defeating 'Widgiewa's' best, which means Australia's best.

This extract from the Wagga paper is interesting:—At the Wagga Show on Wednesday the Avondale Clydesdale Stud Farm, Gidgioburg, secured first, champion and grand champion prizes with the imported Clydesdale sire, Scotland's Sport, beating a field of thirteen including some of the best horses in Australia, amongst which were stallions from both the Victorian and New South Wales Departments of Agriculture, also other well known breeders throughout Australia. Inverness, the previously unbeaten Clydesdale Champion of Australia, was placed second to Scotland's Sport

SCOTLAND'S SPORT has gained the following prizes, including seven champions:—1916, first Draught Horse Grand Championship of New Zealand at Timaru; first prize Best Walking Stallion, also £25 premium. 1919, first Clydesdale Stallion Wyalong Show; first Clydesdale Stallion Wagga Show; first and champion Clydesdale Stallion Tamora Show; champion all classes Wagga Show. 1920, first Clydesdale Stallion Barmedman Show; first Clydesdale Stallion Ariah Park Show; grand champion and first Wagga Show; grand champion and first Ariah Park show; first and champion Barmedman show. 1921, first and champion Barmedman show. 1922, grand champion at Wagga show; grand champion at Barmedman show; grand champion at Ariah Park show.

Scotland's Sport is a certain foal getter, his progeny being stamped with all his characteristics. The lowest price yet received for his two year old entire foals is 105 guineas, while one of them auctioned at the Sydney Show Ground stallion sales on August 14th last was passed in at 150 guineas.

Scotland's Sport is now at the service of the Moss Vale district, and breeders should readily avail themselves of him. He will stand to a limited number of mares only, so book your mares now.

Paddock space available at usual rates.

FEES £4 4s per mare.
